

With the upcoming Parish Council Election approaching, I have put myself forward to be a Parish Councillor.

I live at Lower Trewashford Farm and have done so for the past 30 years.

We farm a suckler herd of South Devons and a flock of Lleyne ewes.

I am a florist and in recent years have been a relief Kitchen Manager, and have worked in many local schools in the surrounding area.

I was a former Pillaton Women's Institute president, also a committee member of Saltash Floral Art Club.

Pillaton is a great place to live, with plenty of community spirit and many social and activity clubs to join, and as a Parish Councillor I would strive to keep the village and surrounding area as lovely as it is now.
