On Saturday 29 March, the Skittles League once again held its annual presentation lunch in the Village Hall. The league has been running throughout the course of the winter, with Maggie and Richard Bruton having taken on the onerous task of making all the administrative arrangements and Carole Hoskins acting as the league's scorekeeper.

After an excellent lunch with catering as ever being provided by Shirley Floyd, came the prize giving with many of those attending managed to come away with a prize in one form or another.

Pictured right is Sue White, captain of the winning team the Knackered Monks, receiving the league trophy from Maggie.
